A new chapter is opening up in your life.

Release all that is distracting you from your life's purpose. Willingly let go of all that no longer serves your greatest and highest good in all dimensions: past, present and future, At the same time also surrender to your divine will.

Your life's purpose is in your birthchart.

Placement of Rahu (NorthNode), Ascendant ruler and Atmakaraka (highest degree planet in your sidereal chart) will give insights into your life's purpose.
