Jupiter Retrograde 2021
(June 20 - October 18)

Jupiter signifies growth. When it goes retrograde you experience this growth internally. Its more of a philosophical & a spiritual growth. Jupiter does this in a cycle after every 9 months of its direct motion/outward growth.

Jupiter will be in retrograde in sidereal Aquarius until September 14, 2021 and then go back in Capricorn.

Jupiter will go direct on October 18, 2021.

How to check its affect on you?

Study the house it is retrograding in for you based on your rising sign and moon sign.

Jupiter will cause philosophical changes in your:
