Its a good day for expressing gratitude.

Some affirmations for this Sagittarius Full Moon:

I am so grateful that my guides help me clear my blocks and reveal powerful ways of connecting with my higher self.

I am so grateful to attract more spontaneity & adventure into my life.

I am so grateful that I am able to release what is no longer required in my journey and my destined path is revealed to me.

I see abundance all around me, and I feel so blessed.

Thank you my guides for revealing my blocks and helping me release them.

Thank you cosmos ❤■■■■
