I love how Rose is associated with Rohini nakshatra (which falls under Taurus sign)■
if you wanna attract venusian qualities (romance, love, beauty)or activate Taurus in your chart use rose perfumes, rose print & designs or even wallpaper or keep fresh roses in your room.❤■■

As per Vastu remedy keep red perfume bottle on south west direction (as it is direction of fulfilment & abundance). South west direction ruled by rahu, lord varuna = 11th house in astrology. ❤■
