Weak Moon in chart causes emotional fluctuations, frustration, mood swings, disappointments, lack of attention, unwarranted aggression & procrastination.

**Shravan month is best period to perform remedies of weak/Ksheena Moon.
Worship Mahadev. It acts as Rambaan.**

■ **Namah Shivaya.**

There is a Shiva Stuti in Rudrayamal. It is also called Shadakshara Stotra. You should chant it and perform the chant of Om Namah Shivaya 108 times thereafter on daily basis. It is highly effective in Shravan.

I goes through with this right now.

Worshiping Mahadev regularly,

Can you suggest some particular ritual/chant?

Ma'am, donating any out of Ghee, Sugar, rice, milk, sugarcane, white cloth etc. to needy people in any quantity is considered very good remedy for Moon. Monday is preferred but it can done on other days too if someone is in need. Edibles in new utensils.
