**While you are on earth you will experience heavy influence of VENUS, MOON & RAHU on yourself as earthlings.**

**Moon: feelings**

**Venus: love, creativity**

**Rahu: lust for more, maya**

**Easiest way to be on this planet is to be like VENUS - The spiritual law of love & least effort.**

These three won't make it easy for you to leave this planet. They have a job to keep you here.

Be more creative, be more, enjoy the love, the beauty, just don't leave.

Ketu (SouthNode) is the one who wants out.

Jupiter makes this Ketu calm with wisdom.

YOU WANT TO ENJOY YOUR STAY WHILE YOU ARE HERE?

BE VENUS LIKE: BE CREATIVE and LOVING

YOU WANT TO GO/FREEDOM?

BE KETU LIKE: headless but guided by intuition. Detached but continuously aware of the inner divine.

JUPITER: Be Wise and Do both.
