Many people want to be rich without any effort. Win a lottery of some sorts.

Which house represents winning a lottery?

5th house: gains from speculation, stocks, gambling, blessing of past life deeds

9th house: luck

Connection between Jupiter, Venus & Mercury in the chart.

Also check the condition of 1st house ruler (yourself).

Any connection between 1H, 5H, & 9th ruler can make the native "fortunate".

8th house can also bring sudden gains through insurance, inheritance, sudden changes.
