It is Karthika Pournima right now, one of the best days to do Satya Narayana Pooja or Homa.

You can find simplest and simple Satya Narayana homa manuals at <https://t.co/Mmmb12PSXr> and regular, short and super-short Satya Narayana pooja manuals at <https://t.co/nik4XmfyOc>.

Karthika Pournima lasts till 3:58 am Friday early morning on US east coast & 2:28 pm on Friday afternoon in India.

One can pick the right option (regular, short etc) based on whether 1 wants a long ritual with many mantras r a short 1 with more meditation. Not about superiority!
