Saturn is Kaal (time)

When the time (Saturn) is in your favour even your mistakes turn into a good strategy.

When time (Saturn) isn't in your favour then even your good actions will seem like a mistake.

Respect Time, Respect Saturn.

No Success without Saturn's blessings.

Saturn can be turned favorable by:

Donating to the needy.
Helping the elderly and poor.
Respecting yours & other's time.
Being humble.
Inculcating structure & discipline.
Starting a new regime, a routine.
Keep it simple, remove all clutter.
Walking barefoot on grass.
