Steps to draw AVWAP from Zeroda .

Step - 1

Select "CHART IQ" IN SETTINGS

Step 2

Open BNF/Option Chart

Go to Studies and type "VWA" and select AVWAP

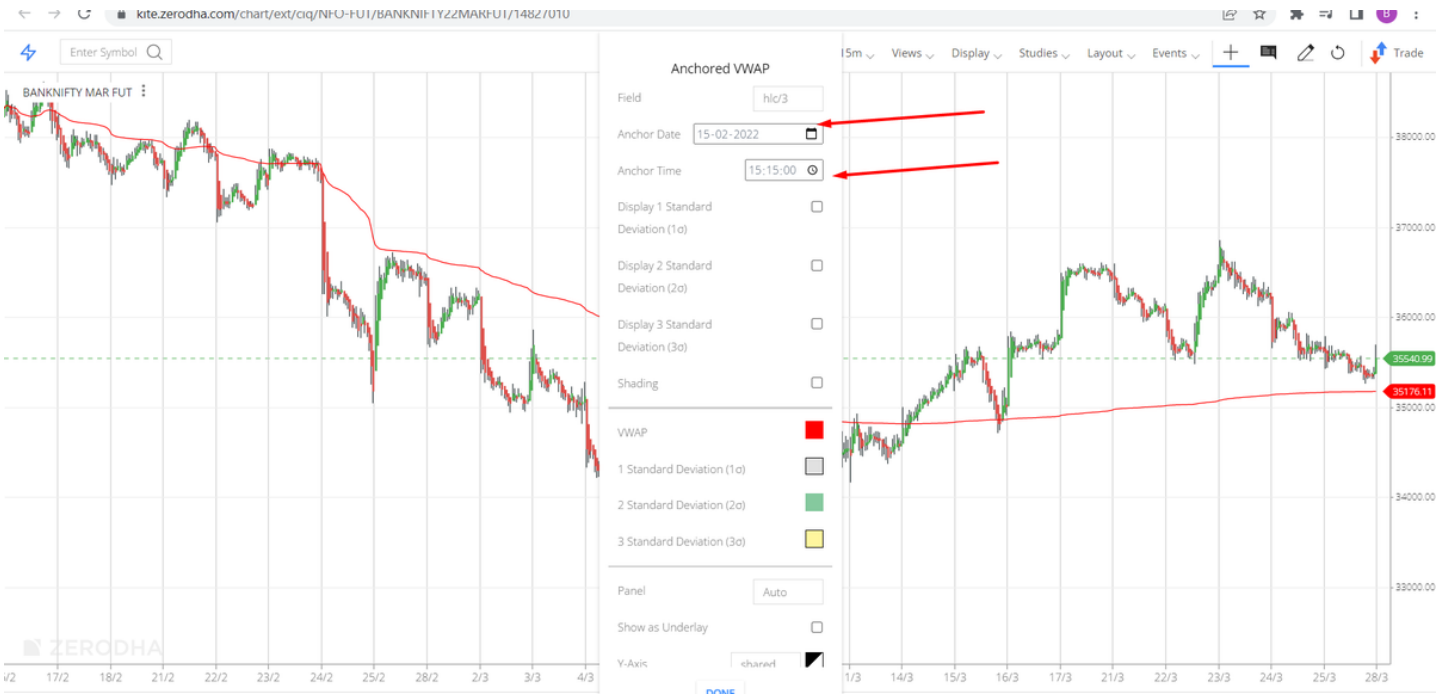

Step 3
Select AVWAP
In Anchor Date " Type your desired date" from which you want to draw AVWAP
In Anchor Time " Type your desired time" of the candle from which you want to draw AVWAP
Click Done tab

Rest all settings are Default !
