#BajFinance
on 0.25% daily and RS chart with Nifty 50

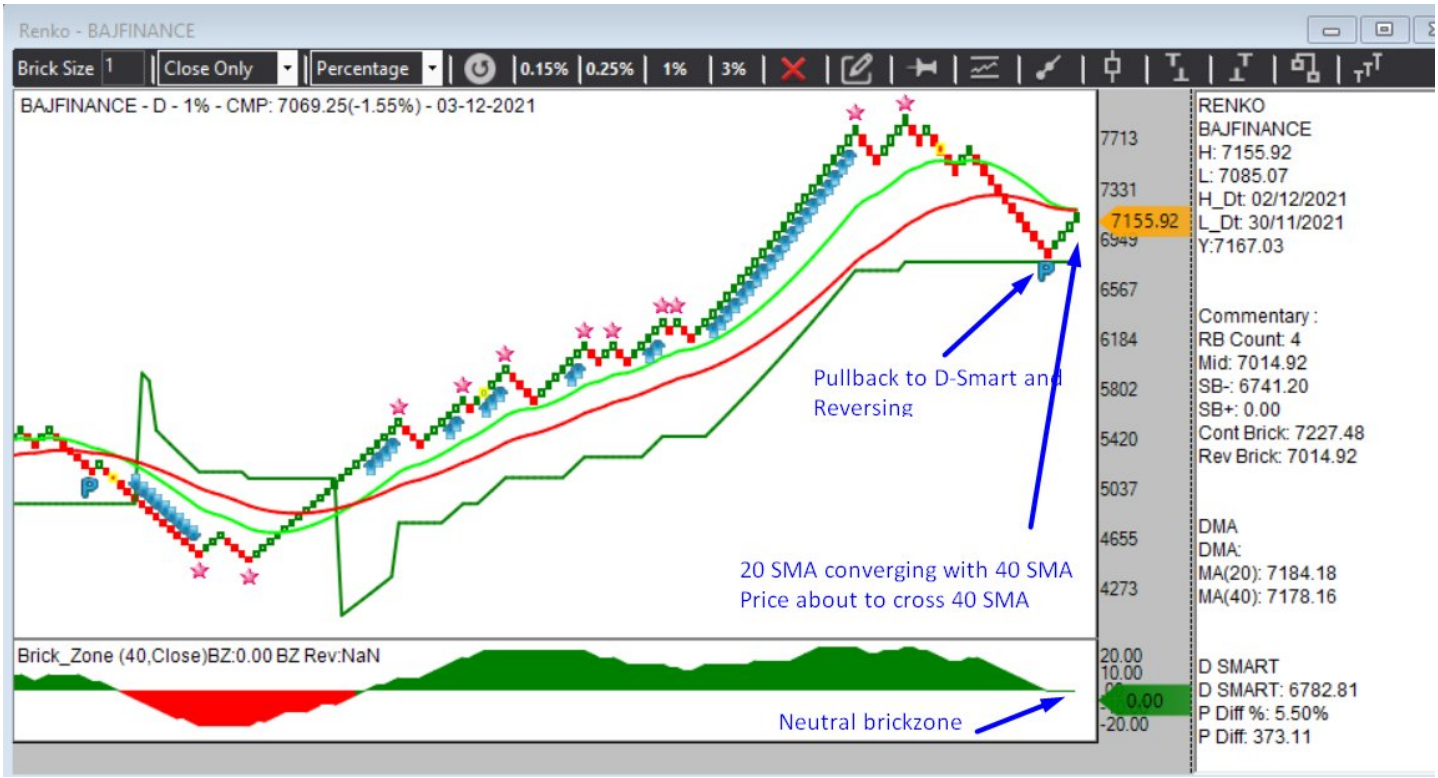

#Bajfinance on 1% box size (medium term view)

Bullish reversal at SMA when PMOX is in oversold condition

#BajFinance on Renko charts 1% brick size
Pullback to support and reversal

#BajFinance on Heikin-Ashi candle charts - has given a bullish reversal after a HA-doji a couple of days back and continues to be bullish on daily TF
