Invalidation level can be brought up to 4900 also.. #BajajFinance

Was looking at #BajajFinance chart once again. I am not able to complete 5 waves yet...hmmm...\U0001f928

As posted earlier, the drop is still 4th (invalidation below 4500).

And target still remains open for 10K+ https://t.co/DozJzNhuuI pic.twitter.com/jPRaEQoPH3
