John Kerry is Deep State's "most famous" swift boater in Viet Nam’s history

He was awarded a slew of medals just like we saw Obama give to Weinstein, Oprah, & Ellen

"Is it really that hard to believe [F] actors are able to bribe those in key positions within the US to betray their Country?"

When Kerry tried to run for Pres in 2004
A group including Jerome Corsi assembled a team called:

Swift Boat Veterans for Truth

They managed to

stop Kerry's ascension

A Man serving directly with Kerry supported the group but was only ever BRAVE enough to appear in commercials

Article:
Kerry travels as Obama Rep asking "The Guardians" to intervene "for help" once the Deep State realized they just lost control to Trump
