The hopes that QAnon will disappear with Biden's inauguration will unfortunately be dashed.

Some followers will decamp. But a lot will be hardened.

How did we get here? What will happen? Why? And what can we do about it? A■about cults & persuasion

> A very personal thread about this story and why I increasingly believe addressing the rot caused by QAnon will be one of the Biden administration\u2019s most important and most difficult tasks. https://t.co/oe1jNGYG4R
