# Twitter Thread by Coping MAGA

**Coping MAGA**
@CopingMAGA

**We made a thread of Biden's first executive actions.**

**Categories include:**

- **Coronavirus**
- **Financial Relief**
- **Environment**
- **Human rights**
- **Immigration**
- **Regulation**
- **Ethics**

■Coronavirus:
- Start of his "100 Days Masking Challenge" with Dr. Fauci
- Restructuring the federal government coordination to the COVID-19 pandemic
- Rejoining the WHO

■Financial Relief:
- Extend eviction and foreclosure moratoriums
- Continue "pause" on student loan payments until September 30

■Environment:
- Rejoin the Paris Climate Agreement
- End Keystone XL pipeline and revoke oil and gas development at national wildlife monuments

■ Human rights:
- Undoing Trump's efforts for a "Patriotic Education"
- Count non-citizens in U.S. Census again
- Strengthen workplace discrimination protections based on sexual orientation and gender identity

■Immigration:
- Defend "Dreamers" program for undocumented young Americans
- End the "Muslim travel ban,"
- Change Trump's arrest priorities for Immigration and Customs Enforcement (ICE)
- Stop border wall construction
- Keep protections for a group of Liberians in the country

■Regulation:
- Freezing last-minute Trump administration regulatory actions (Ron Klain is technically charged with carrying this out)

■Ethics:
- Formulate Executive Branch ethics doctrine which needs to be signed by anyone in this branch

If the information in this thread helped you understand Biden's actions in office, please retweet the thread and send it to people you know.

We're doing our best to educate people on what's happening in government.
