# Twitter Thread by CryptoHobbit ■■■■

**CryptoHobbit ■■■■**
@mark_cullen

**Afternoon all,**

**I wanted to take some time to cover some resources I use in my daily $BTC trading. This will be a longer thread, so bear with it you will hopefully find something that will help you also. I will try to keep it concise so if there are any questions please DM me.**

11. Portfolio Management & Trade Diary- https://t.co/KAig84dOsk
3Commas gives you the ability to see your full portfolio, mapping your balance and asset breakdown. You have access to all your trade history across all exchange in a single trade diary, saving time extracting taxes
