A short thread of Texas Republicans sharing their thoughts on rolling blackouts elsewhere

Senator Ted Cruz: "Hope you don't like air conditioning!"
https://t.co/vj6ZR6DpJP

> California is now unable to perform even basic functions of civilization, like having reliable electricity.
>
> Biden/Harris/AOC want to make CA\u2019s failed energy policy the standard nationwide.
>
> Hope you don\u2019t like air conditioning! https://t.co/UkKBq9HkoK
>
> — Ted Cruz (@tedcruz) August 19, 2020

Texas Attorney General Ken Paxton: "California's politicians did this"
https://t.co/LBSuH0gpUx

> California\u2019s politicians did this, not the heat. https://t.co/wft1kFsHfX
>
> — Attorney General Ken Paxton (@KenPaxtonTX) September 6, 2020

Representative Dan Crenshaw: "Alexa, show me what happens when you let Democrats control energy policy."
https://t.co/9bYNzpC9Tp

> Alexa, show me what happens when you let Democrats control energy policy. https://t.co/PLtgofajlg
>
> — Dan Crenshaw (@DanCrenshawTX) September 8, 2020

Lt. Governor Dan Patrick: "This is what happens when the Democrats are left in charge...#KAG"
https://t.co/5IhH4UYuCo

> This is what happens when the Democrats are left in charge. Why California\u2019s liberal climate policies are causing electricity blackouts: https://t.co/GE1FzadHM4#KAG

— Dan Patrick (@DanPatrick) August 20, 2020

Senator John Cornyn: "California’s energy nightmare shows us why Texas must trust the free market" https://t.co/JFpiI1m2nj

> California\u2019s energy nightmare shows us why Texas must trust the free market https://t.co/xxWSKwGfSZ
>
> — Senator John Cornyn (@JohnCornyn) October 30, 2019

Rep. Chip Roy (and oldie but a goodie!): "Obama plan = rolling blackouts and massive rate increases." https://t.co/vDbflwbrKI

> Obama plan = rolling blackouts and massive rate increases. https://t.co/GHkb4imGhX
>
> — Chip Roy (@chiproytx) May 6, 2015

Representative Ronny Jackson: "Corrupt 'green' policies that leave us in the dark" https://t.co/rwSc9ecJag

> This is what the Biden/Harris plan for our energy sector looks like. Corrupt \u201cgreen\u201d policies that leave us in the dark, and Texas energy workers out of a job.https://t.co/04i69o1eAp
>
> — Ronny Jackson (@RonnyJacksonTX) September 12, 2020

I'm sure these politicians will apply the same level of rigor and logic in assessing the blackouts currently affecting Texas and compassion for those affected by them
