If you're into entrepreneurship, you should read:

1. The Art of War, by Sun Tzu
2. Meditations, by Marcus Aurelius
3. The Autobiography of Benjamin Franklin
4. The Art of Money Getting, by P. T. Barnum

Read for 1-2 hours a day and you'll be in the top 1% of society

Here's how:

Start reading 100 mental models

With the help of books, cards, maps, quotes, audiobook,... it will internalize mental models in your head in a way that you will use them automatically

+ It also includes the books mentioned above for free
