Reading is to the mind what exercise is to the body.

But nowadays, let alone buying a #book, it takes a lot of effort to even finish what we had started because of our hectic schedules.

To solve this, @elearnmarkets brings you best #finance book summaries, all in one place!

■One Up On Wall Street by Peter Lynch

This book provides a holistic knowledge of investing in stocks. The author discusses how to use what you already know to make money in the market. It serves as an extensive guide for investors. Read more: https://t.co/Bo9uV44TQc
