@markminervini

But if you want to read more... this is a list of some of my favorites...

<https://t.co/ee5JckNVdZ>

My Suggested Reading List for Stock Traders:

- Trade Like a Stock Market Wizard by Mark Minervini
- Think and Trade Like a Champion by Mark Minervini
- Mindset Secrets for Winning by Mark Minervini
- All of the books by William O'Neil
- All of the Market Wizards books by Jack Schwager
- How to Trade in Stocks by Jesse Livermore
- Superperformance Stocks by Richard Love (if you can find it)
- How Charts Can Help You in the Market by William Jiler
- How I Made \$2,000,000 Dollars in the Stock Market by Nicolas Darvas
- Momentum Masters edited by Bob Weissman

There are more decent books out there – like *Reminiscences of a Stock Operator* by Edwin Lefevre – but you certainly don't need any more than this list of my top favorites.

The only two books you need to dramatically improve your trading! <https://t.co/kooJFcrfsK> pic.twitter.com/s8CsJUF3zt
