[thread] on the tub thumping jingoism of "best in the world"

Whether it be Gavin Williamson

or Jeremy Hunt

Why they need this amidst the shitshow of brexit and the disaster of covid?

Is a fascinating question

> Is British science the best in the world? My question to the boss of our gold medal winning regulator, Dr June Raine pic.twitter.com/cR9977XeUt

A reminder

https://t.co/g4kVKNMWcn

> We could only approve this vaccine so quickly because we have left the EU. Last month we changed the regulations so a vaccine did not need EU approval which is slower. https://t.co/y2Az7okPdx
