In 2017 the Blairites were working to lose the general election and in effect cause a Tory Landslide and Hard Brexit.

This demonstrates their priority was not stopping Brexit as they said it was in 2019.

**They used Brexit to lose to remove**

Here is Keir Starmer admitting in March 2018 that reversing the manifesto commitment to (soft) Brexit, would 'Break Apart' the Labour party.

.

6 Months later he did just that.

**SIR Keir Starmer will order Labour MPs to back a Brexit deal to try to win back the North, his allies claim.**

Shadow Cabinet sources say the party will support "almost any trade deal" that PM Boris Johnson forges with Brussels.
