### Red Salute to Comrade Mukul Sinha

#### Courageous Crusader for Truth, Justice and Democracy

Activist and lawyer Mukul Sinha succumbed to lung cancer in Ahmedabad on May 12. He was 63. A trade union activist, Sinha also fought many landmark battles for civil liberties and justice – many of them in the heart of Narendra Modi's Gujarat, valiantly keeping alive the hope of justice for victims of communal pogroms and custodial murders.

As a young researcher in a university in Ahmedabad, Mukul Sinha became a trade union organiser when 133 persons were laid off from the university in 1979. Throughout the 1980s, he, along with his wife and lifelong comrade Nirjhari, organised many labour struggles. He acquired a law degree to be better equipped to take up such struggles.

He and Nirjhari formed the civil rights organization Jan Sangharsh Manch, which did sterling work in the struggle for justice for the victims of the 2002 pogrom.

Manoj Mitta, in his book *The Fiction of Fact Finding: Modi and Godhra*, recounts how in proceedings before the Banerjee Committee, Sinha representing the Jan Sangharsh Manch, sought evidence of

Mukul Sinha contested Gujarat Assembly elections in 2007 from a Muslim-dominated seat Shahpur in Ahmedabad, but got just 255 (0.44%) votes, losing his deposit. ■■

In 2012, Sinha contested as an independent candidate from Sabarmati in Ahmedabad, and lost again, securing just 1860 (1.23%) votes!■■■

As per affidavit in 2007 he had total movable asset of Rs.23,82,309

But shockingly In 2012 he had huge hike in movable assets! He has Rs.1,08,65,799 movable assets as per affidavit. (this information are available in affidavit. This is not privet information)

**A. Details of movable assets.**

(Assets in joint name indicating the extent of joint ownership will also have to be given)

Please note that this is just white money. They have crores of rupees of black money which they have used via their NGO!

He sent his son Pratik Sinha to Vietnam for studies, and you know what? Vietnam is communist country! Basically he was there to learn courses in Marxism-Leninism and Ho Chi Minh ideology and communist sciences, but officially he has joined engineering!

After complete his training in in Marxism-Leninism and Ho Chi Minh ideology.

He came to Guajrat and started a website and Facebook page 'Truth of Gujarat' but it doesn't have any truth in it! This website was full of propaganda lies and fake documents!

Do you remember Una Issue in 2016? Where several Dalit were assaulted by few people. In culprit names there was one Muslim too, but Pratik Sinha and his mother with Jignesh Mevani were instigated all Dalit community in 2016. They have started #ChaloUna march to instigate Dalits.

List of his work as a comrade is very long!

But Irony is that he claims that Alt news is unbiased, but actually he is a trained comrade!
