Following [@BAUDEGS](#) I have experienced hateful and propagandist tweets time after time. I have been shocked that an academic community would be so reckless with their publications. So I did some research.

The question is:

Is this an official account for Bahcesehir Uni (Bau)?

Bahcesehir Uni, BAU has an official website <https://t.co/ztzX6uj34V> which links to their social media, leading to their Twitter account [@Bahcesehir](#)

BAU's official Twitter account

BAU has many departments, which all have separate accounts. Nowhere among them did I find [@BAUDEGS](#) [@BAUOrganization](#) [@ApplyBAU](#) [@adayBAU](#) [@BAUAlumniCenter](#) [@bahcesehirfibe](#) [@baufens](#) [@CyprusBau](#) [@bauisbf](#) [@bauglobal](#) [@bahcesehirebe](#) [@BAUintBatumi](#) [@BAUiletisim](#) [@BAUSaglik](#) [@bauebf](#) [@TIPBAU](#)

Nowhere among them was [@BAUDEGS](#) to find

This and the content of the [@BAUDEGS](#) account leads me to a question? Is this a fake account? If so, is the institution of [@Bahcesehir](#) aware of this account and how they undermine the academic status of the true Bahcesehir University? [@TIPBAU](#)

I wish to respectfully address the question to BAU academics as well. Does [@BAUDEGS](#) represent BAU?
