DEATH BY GREED

How patriotic am I? In my perfect world Steve Jobs would have died in prison and every politician, CEO & board member who helped offshore American jobs to enrich themselves would be put on trial for treason. Hear me. Capitalism is the greatest enemy of patriotism.

America created generations of oligarchs thru free & cheap labor, tax loopholes & our politicians today still allow it. In fact, they're in on it. Under the banner of globalization, we allow American companies 2 exploit both natural resources & human resources of other nations.

General Electric made billions during the Obama years & didn't pay one dime in taxes b/c the Obama administration & Democrats refused to close the tax loopholes that allowed big companies like GE & people like Donald Trump to escape paying their fair share like other Americans.

Shit, America created Donald Trump & a litany of other ridiculously wealthy mostly white oligarchs who don't give a fuck about anybody at the bottom of society. Senator Elizabeth Warren was right as hell when she said, "it's all rigged." Hell, she was apart of the rigging with-
