Amazon warehouse union gets tech solidarity: #DoItWithRealPower

My latest novel is Attack Surface, a sequel to my bestselling Little Brother books. @washingtonpost called it "a political cyberthriller, vigorous, bold and savvy about the limits of revolution and resistance."

My first picture book is out! It's called Poesy the Monster Slayer and it's an epic tale of bedtime-refusal, toy-hacking and monster-hunting, illustrated by Matt Rockefeller. It's the monster book I dreamt of reading to my own daughter.
