Rt.@TaylerUSA
Here Miss Money Shot is seen getting a PERFECT angle to get this entire clip of you guessed it... ANTIFA attacking the Police.

Rt.@TaylerUSA
Pay attention to the gas masks they use, see a pattern? There's a reason.

ANTIFA hands out these masks and razor scooter helmets that they turn into "PRESS ID" by using tape and a sharpie.

They were littered EVERYWHERE throughout the crowd yesterday.

Rt.@TaylerUSA
These are just a few examples and there are many more—

ANTIFA successfully infiltrated right in front of everyone, and is primarily responsible for the vandalism of the Capitol and violence against the Police.

It's easy to see this stunt. The timeline. It's obvious. I feel sorry for the useful idiots that fell for your trap and joined in.
