In this thread, I'll show you how to read and understand a company's Balance Sheet.

As investors, we should be able to judge businesses by looking at their financial statements.

And the Balance Sheet, of course, is 1 of 3 key financial statements: pic.twitter.com/6D0HA0vmEN

What: You don’t get Rich being an Employee

Tweet: https://t.co/YC8f9Axyun

Tim Cook has been Apple's CEO since Aug. 24, 2011. Over this span, Apple's market cap has jumped from $340B to -- just today -- $3T.

Despite this massive gain, Cook is only worth $1.5B.
