AI tools for generating/editing images that are absolutely phenomenal:

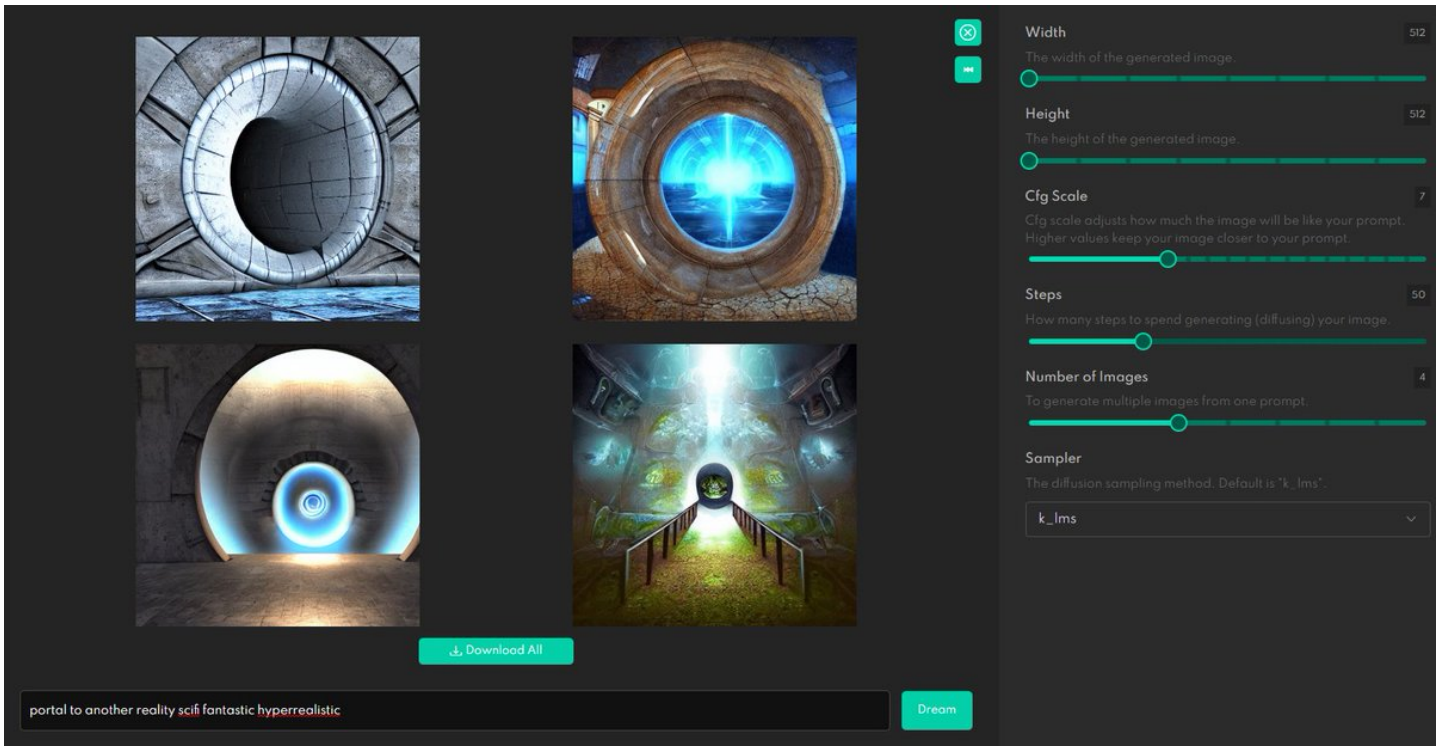

A thread■

1. Stable Diffusion

- Enter any prompt and the AI generates images.
- Add prompts like realistic, oil for style; Picasso, Monet for artist style along with the basic prompt

-Link: https://t.co/mtbNm3FDkP

Prompt: portal to another reality scifi fantastic hyperrealistic

2. Dream by WOMBO

- If you want to use Stable diffusion on your phone, download this app

- Enter the prompt and choose the style!
