7) Role of Time Frame and how to use -
https://t.co/hHkloS6ySW
Time Frame importance -
 3 min - For Execution indicators provide early signals and less reliable) 15 min - to look at trend of week, Support and Resistance of last 4-5 days Daily - to check current trend and Short Term S-R (More reliability)
Charts - pic.twitter.com/SWHcQQ8m0F
