Technical analysis screeners which will just take 5 minutes to find good looking stocks out of 5000+ stocks!

■ Intraday Breakout Trading
■ Volatility Contraction
■ Candlestick Pattern

A Thread ■■
Do save it and Retweet to help us educate more beginner traders and others!

(1) Near day high

Use 5 & 15 minutes time frame for intraday trading for doing breakout trading.

Intraday bullish Breaking trading screens!■
https://t.co/5RDSrc5yuH

(2) Intraday 15 minutes Breakout

My favourite one for intraday!■

https://t.co/oaNZB1BqUM

(3) Volatility contraction

This is for swing trading!
Swing Trading Bullish Screener

https://t.co/sd5lF0wGhU

(4) Bullish Engulfing

I use most of these screener for doing MTR (reversal trading).■
