■ STOP wasting time searching for stocks.

Unlock the stock screener that makes it easy:

Check out the stocks that have broken through their 52-week highs on https://t.co/qBvDaqyp9R. They are some of the strongest in the market, so be sure to consider technicalities when trading them.

You've definitely heard of Darvas. Here's your chance to put his strategy into action: https://t.co/bk82BA8MMF

Intraday lovers: https://t.co/7Y866T9bRt

Do you know that narrow range breakout gives a punching returns in short span- https://t.co/vYfluY3TEH
