1/ Don't worry, gentry conservatives. We get it.

You're writing "No" now but soon enough you'll write "While we have deep reservations about Donald Trump, Joe Biden is a socialist Marxist antifa Soros dupe and while Trump's tweets are terrible, his polices...

2/ ...and his court appointees are magical super sauce. Here are National American Conservative Daily Review, we know the real risk to the American republic isn't Donald Trump or even Joe Biden.

We know the real danger to our future is a...

3/ ...group of dangerous radical activists who make the Commies, the Nazis, and Al Qaeda pale in comparison. No, the danger is not Trump, but anti-Trump conservatives.

We must therefore grudgingly endorse Donald Trump, praise be upon him."

You know I'm right.
