**Allen West & the Sovereign Military Order of the Temple of Jerusalem, Knights
Templar is not a joke. Seriously.**

**He's very aligned with Mike Flynn & Erik Prince who are literally waging their own
version of a Crusade. Holy War. This is troubling to say the least, more than semi.**

It's official: I have been invested in the Sovereign Military Order of the Temple of Jerusalem, Knights Templar. I took an oath to protect the Christians in the Holy Land.

The Middle East: Full of Surprises

Echoes of Honor, Service, and Sacrifice.

We are a modern Christian Order of Knighthood dedicated to:

- Seeking God in our lives and promoting love and respect for our community.
- Increasing understanding between religions, helping pilgrims visit holy places, and maintaining a Christian presence in the Holy Land.
- Supporting the poor, sick, and unjustly accused; standing against oppression, and protecting freedom of speech.
- Encouraging the noble ideals of Chivalry; maintaining the monuments, archives, and history of the Knights Templar.

"We do not claim a direct lineage to the original Knights of the Temple, but seek to emulate their attributes. We've adopted 2 original Templar missions of Protecting Christians at Risk particularly in the Holy Land & Keeping the Road to Jerusalem open to all people as our own."

The Order has both a Chaplain's Corps for ordained ministers and a Chirurgeon's Corps for medical professionals. It also has an associated honorary Order of Merit that recognizes accomplished individuals of all faiths for their extraordinary work for God and humanity.

- To become a Knight Templar, one must be a Christian by faith.
- The Order is ecumenical; it does not restrict membership to a single Christian Church
- The Order recognizes the Constitution and statutes of the United States and of its several States as sovereign and temporally supreme public law.
- The Order does not allow its members to act contrary to their obligations to their country.
- The Order is not a political organization and does not engage in politics.
- The Sovereign Military Order of the Temple of Jerusalem, Inc. (also referred to as SMOTJ) is not associated in any way with Freemasonry.

There is clearly a growing desire among caring men and women to spread goodness in the world. The Sovereign Military Order of the Temple of Jerusalem is increasingly viewed as a means of doing so; its volunteer base is growing rapidly in terms of both numbers and talent. In order for a growing volunteer organization like SMOTJ to be effective on a large scale, it utilizes the varied talents of all and magnifies the results of their efforts through effective organization - all the while keeping a singular crusading focus.

Harking back to the Templar history during the Crusades, the modern Templars see it their duty to assist Christian pilgrims and to maintain a Christian presence in the Holyland. One must be a professed Christian to be a member.
