**Folks, there are certain Members of Congress doing things that are of true public service. @RepZoeLofgren is such a member. This is something that has flown under the radar, but is extremely important for our democracy. It has to do with the **#14thAmendment**. ■■■■**

The 14th amendment is the one that basically says, if you engaged in insurrection, you can't hold public office.

@RepZoeLofgren has released this doc.

Please read it or just follow along in the thread below. (But read it, to form your own conclusions)

The document outlines 121 Members of Congress social media posts. It shows their name, district, state, committees they sit on (ie armed services, intelligence ■) and social media posts they sent before, during, and after the Insurrection. I place them into one of 4 categories:
