Kari Lake supporter Ethan Schmidt is facing up to 6 months in jail for returning to harass a store that requires masks because they sell wigs to cancer patients. At the time, Ethan was declaring he “loves harassing cancer patients.”

Ethan: “Martin Luther King, Jr is on my side.”

Ethan, who appears to have shaved his mustache for his hearing, is pushing for a trial. Ethan believes he, and the “America First” Republican candidates, are trying to “keep Arizona great.”

Ethan was recently banned from Target stores after threatening to “hunt LGBT supporters.

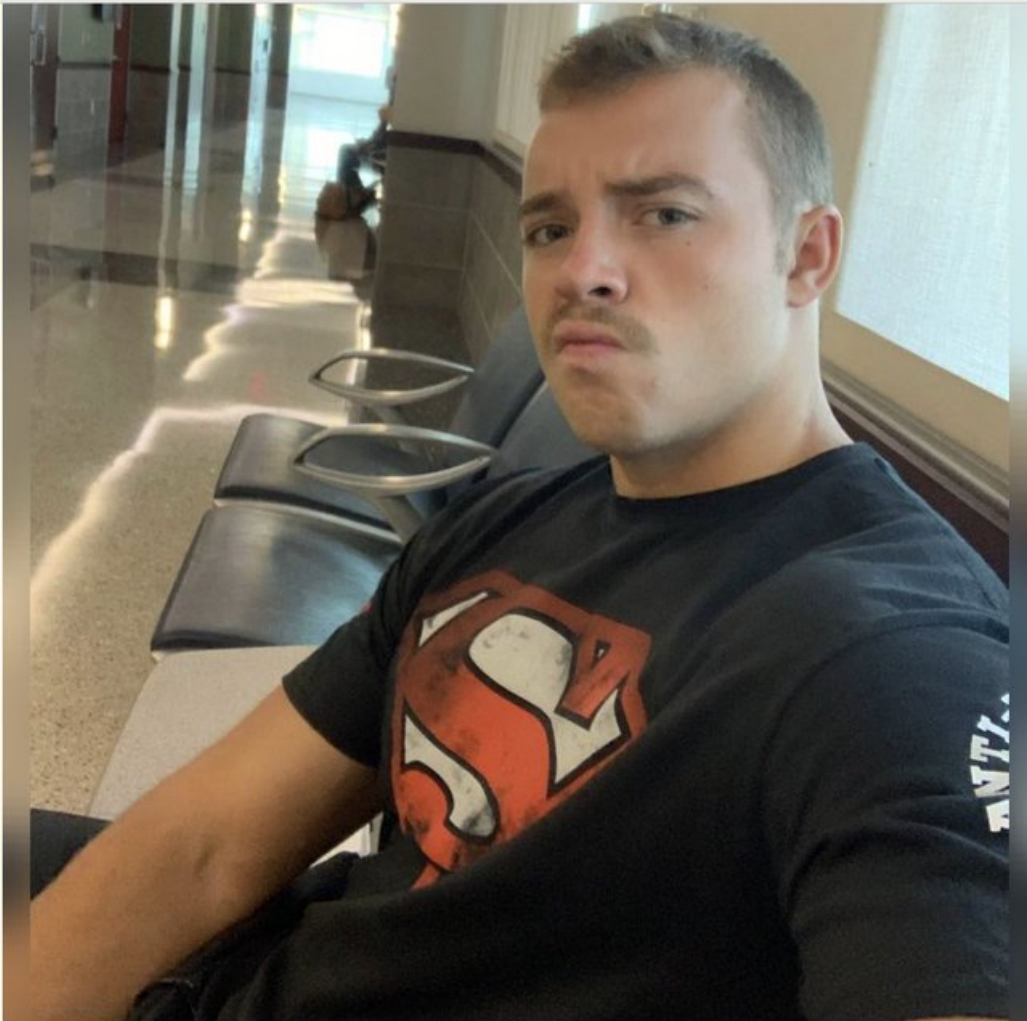

The wig shop got a court order banning Ethan from returning to the store. Ethan went back in violation of that order. That is what led to Ethan's arrest.

Ethan has made videos with Republicans Kari Lake, Paul Gosar, and Wendy Rogers.
