**Two stooges! The order was for the IRS Criminal Investigation (IRS-CI) division, which is a federal law enforcement agency that conducts criminal investigations including tax violations, money laundering, cyber crimes, and organized crime involving drugs and gangs. (cont'd)**

[@mehdirhasan](#) There are more than 2,000 sworn special agents in the division. "Many of these cases are typically worked in conjunction with other state and federal law enforcement agencies. IRS-CI special agents have been carrying firearms throughout the more than 100-year history (cont'd)

[@mehdirhasan](#) of the agency, and have found themselves dealing with some of the most dangerous criminals," re: <https://t.co/kIWisN0gHW>
