[@Chi_Hinm](#) Hivites, Phoenicians

- They are Hivites - the cabal, the elite, deep state, etc
- Many don't even know that's what they are, most believe they're 'something else'
- But those at the top, the ones who know the history and master plan, they know they're ALL Hivites
- Ever wonder why they refer to people like HRC and Beyonce as "Queen Bee"?
- Ever wonder why Utah, the Mormon capitol is the "Bee Hive State"?
- Ever wonder why @wikileaks Vault 8 release about CIA software is called "Hive" software?
- Ever hear the term "Hive Mind"?
- You know how terrorists have "Splinter Cells" - does this remind you at all of Bee Hives/Colonies?
- Ever wonder why occultists use the Hexagon symbol that is the same as Honeycomb?
- Remember the story about "Killer Bees"? Or the bumble bees becoming endangered & dying off?
- The truth is the #Hivites at the top leverage & control those underneath them
- The ones at the bottom do the bidding of their superiors
- There is an organization to this CULT that is similar to Bees. A Queen, Drones (delivering approved narratives) workers (doing cult bidding)
- They congregate their population in certain areas (set up colonies), spread and start new cults (new hives/colonies), "pollenate" (spread disinfo, gather intel), it's all very similar to Bee behavior
- And many of their "gods" have bee symbolism in the mythology
- Ultimately, the tie that binds all of these groups, is an ancient Babylonian/[Phoenician CULT FAMILY](#) that practices child prostitution and human sacrifice for the consolidation of civic power, wealth, and control of humanity/earth
