**And this is why we should always support our free press. Even when we are forced to question a story, support and subscribe.**

**Democracy will not survive without it ■**

Journalism is called the Fourth Estate for a reason: when the other three estates, or branches of government, fall - the Executive, the Legislative and the Judiciary - it's up to the Fourth Estate to hold truth to power. Which is exactly what happened in 2016-2020.
