the Emmys are tonight, so let's never forget the time Amy Poehler convinced her other nominees to pretend they were in a beauty pageant when their category was called

here's the behind-the-scenes story of how Amy Poehler pulled this off, if you're curious. (full video + captions on my tiktok:

Amy Poehler's unscripted
"beauty pageant" bit at the
2011 Emmys is sooo good

Here's the video
