Buried in this GA GJ order is a big-deal sentence: “This authorization shall include the investigation of any … predicate acts….” This authorizes a RICO racketeering investigation that reaches Trump’s illegal actions everywhere! GA has a nuclear weapon!

I have no doubt this sentence did not get there by accident. Fani Willis wanted RICO powers because she is dealing with a serial criminal. That is what RICO statutes are for. And Ms. Willis strikes me as someone who has no fear of bringing down our mobsters former POTUS!
