@SollenbergerRC

NEW: For decades Trump has used sprawling NDAs to intimidate employees and associates into silence. But he just lost a case to @OMAROSA that could help bring his political and corporate secrets down on his head. Me & @swin24 @thedailybeast

We also got a slide show that the Trump White House gave interns when they were hired, which tried to scare them into not leaking to the press. The slides contained a cartoon of a person behind bars.
