Twitter Thread by MATT GRAY

MATT GRAY
@matt_gray_

Chrome is used by 3.2 billion people.
But most people don't understand its true power.

Here are 11 extensions I can't live without ■

https://t.co/9Otws1VPqF

This is the browser extension for Pro Tweeters.

• Powerful Twitter analytics
• 10x your audience growth
• Reveal insights you never knew about

Block time-wasting websites.

• Be more productive
• Eliminate distractions
• Combat social media impulses

☐ All Websites ⊘   ☐ My Mac

☐ Apps ⊘   ☐ Lenovo Laptop

☐ Distracting Websites   ☐ iPhone

                          ☐ Samsung Tablet

My Blocklists

Distracting Websites *8 blocks*

Transform your New Tab page into a focused, productive, and inspiring dashboard.

• Focus on your top task
• Daily inspirational quote
• Turn your potential into progress
An essential tool for remote work: record quick videos of your screen and send them to your team.

• Delegate tasks with ease
• Record your screen
• Share with a link

Compose bold, clear, mistake-free writing with Grammarly's AI-powered Chrome extension.

• Improve grammar, style, and tone
• Write confidently across the web
• Save time on proofreading and polishing

Write better headlines that will boost your traffic.

• Data-driven suggestions
• Break through creative blocks
• Analyze titles 10x faster with their proven algorithm

Use AI to analyze images, articles, and websites and automatically organize them for you. It's like bookmarks on steroids.

• An extension for your mind
• One place to go for all ideas and curation
• Essential for gathering and organizing your thoughts

That's all for today!
