The timing is nearly upon us... https://t.co/vmc8WvyxjS

> If Trump goes through with his rumored "2018 EO Plan" in a few days, all of Big Tech will be quickly banning and censoring ALL support of the 2018 EO.
> Now you must establish communications off of Big Tech, otherwise you may quickly find yourself in the dark.
> It will be BLACK OUT.

The only way is the military: "I, (name), do solemnly swear (or affirm) that I will support and defend the Constitution of the United States against all enemies, foreign and domestic..."

Seems almost like Trump planned for this very moment...
https://t.co/2AURGNIhiT

https://t.co/yMYUuFqogy

> Did you know POTUS can use the insurrection act to call into service the US Armed Forces to address a conspiracy, in any state, which results in the deprivation of Constitutionally-secured rights, and where the state is unable, fails, or refuses to protect said rights?

https://t.co/2QThwvnE7R

> Did you know that POTUS needs to issue a "Proclamation to disperse" before invoking the powers of the insurrection act?
>
> Did you know that measures necessary to guarantee National Security from external threats are not subject to the same limitations?https://t.co/EIQ04OEdJ9
>

Crash course (CM, chan/kun, DoD IP addresses, & unify)
https://t.co/f8IkyNREX5

> I am resigning as admin of 8kun effective immediately.
> Extensive battles have been fought tooth and nail during a self-imposed civic duty protecting the final fortifications of online free speech, guardedly navigating these tumultuous times.
> Today I bring ship to dock.
