In 1993, The World Economic Forum created the Young Leaders program. The aim of this program was to identify & promote future global leaders.

It's amazing how this program reads like "who's who" for the biggest supporters of the Covid pandemic. Let's take a look and see:

Jeff Zients - White House Covid Coordinator
Stephane Bencel - Moderna CEO
Jeremy Howard - Masks for All Lobby Group
Lenna Wen - CNN Covid Analyst
Eric Feigl Ding - Twitter Zealot
Devi Sridhar - Zero Covid Professor
Gavin Newsom
Jacinda Ardern
Emmanuel Macron
Angela Merkel
