POTUS calling out the Justice Department as corrupt.

> IF Biden gets in, nothing will happen to Hunter or Joe. Barr will do nothing, and the new group of partisan killers coming in will quickly kill it all. Same thing with Durham. We caught them cold, spying, treason & more (the hard part), but \u201cJustice\u201d took too long. Will be DOA!

To be clear, I would distinguish between regular employees of the Justice Department and the decisions made officially. It's important to do this.

It is also worth noting that "federal agents can be sued for putting Muslim men on the no-fly list in alleged retaliation for their refusal to cooperate with counterterrorism investigations."

"The decision, a rare expansion of personal liability for law-enforcement misconduct, was one of four unanimous rulings the court issued Thursday"

"The court also found that there is no statute of limitations on when rape charges can be filed in the armed services"

Here are links to these opinions.
