Bruce L. Campbell, John C. Clarke, and Miller Nash Graham & Dunn LLP filed the brief amicus curiae for Transgender Law Center, interACT, and Beyond Binary Legal.

Does ORS 33.460 permit the circuit court to grant a legal change of sex from male or female to nonbinary? The circuit court concluded that the statute does not permit such a change, and it denied petitioner's application under ORS 33.460

the circuit court's authority to grant the requested change of legal sex is not restricted to male or female; rather, the new sex designation must affirm the petitioner's gender identity whether that is male, female, or nonbinary
