hey rabbi, could you also get [@realfrostylady](#) to apologize for the implicit threat of violence to a black woman mariah macaronio?

i really prefer nonviolence---and i don't want anyone to be in danger for caring about what is going on.

i immediately reported the tweet for violence and threat of harm---but i think [@TwitterSafety](#) and [@twittersupport](#) think it is a free speech issue

this came after hours and hours of rage tweeting from frosty at mariah. i want everyone to be safe.

besides these implicit threats of violence from frosty after rage-tweeting about mariah----

i don't think [@realfrostylady](#) is taking account how her targeting mariah macaronio could put her in real danger and risk of physical harm---there needs to be an apology from frosty as well
