#Creditacc what strength in this counter!

Moving up slowly yet steadily ■without catching too many ■!

Once 1000 is conquered, we might see some good moves here!

#Creditacc has managed to close above the horizontal resistance as well this week after the trendline breakout.

Heading to clear skies soon!#stockideas #trendlines https://t.co/LpHXcbZAwN pic.twitter.com/XJ5721XIh5
