The Gabba, 2021.

In reply to Australia's 369, Ro started well and timed even better in a sublime 44-run knock alongside his record-setting five catches ■

His opening partner Shubman Gill took charge in the second innings, scoring a brisk 91 to keep India the required impetus in a massive chase ■

Rahane's captaincy kept a battered India motivated, bringing the best out of every player ■

He got hit on his head. On his chest. On his shoulders. On his thighs. But Pujara scored a fighting 56 that wore down the likes of Cummins, Hazlewood and Starc ■

Mayank Agarwal's handy 38 in the first innings kept the scores ticking when closing in on Australia in the first innings didn't look like an option ■■

3 wickets in the first innings, one in the second. A 62 (144) followed by a match-winning 22 (29). Sundar was the sizzling all-rounder India needed ■

A 67 (115) to build a record partnership with Sundar and 7 wickets in the game, Shardul's performance left us in awe of him ■

A maiden Mohammed Siraj five-for kept the Australian batsmen from scoring to their full potential, giving India a total to beat!
